

THE MOTHERHOOD®

Blogger Spotlight

Lee, My Sentiment ExactLee

If I could make a difference in just one way using social media, I would: "... collaborate on a campaign with OrganDonor.gov or something similar to help increase the number of donors in our nation."

Advice I'd give a new blogger:

"If you're serious about this, start with WordPress. You'll most likely end up there anyway."

WHAT'S TRENDING?

"Bloggers want to drop their Facebook fan pages. They bring in virtually zero eyes at this point."

Favorite project with The Motherhood:

"I had to cook numerous meals, which is a challenge for me, but I lived up to it like a boss!"

Be inspired™

Favorite holiday:
Halloween

Dream dinner party guest:

Robert Downey Jr.

Motto I live by:

"Listen, smile, agree and do whatever the **** you were going to do anyway."
