

THE MOTHERHOOD®

Blogger Spotlight

Trey, Daddy Mojo

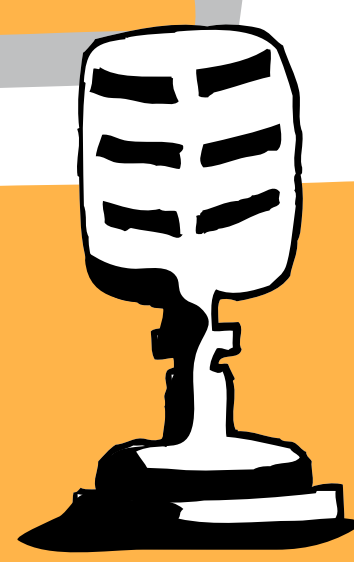

If I could make a difference in just one way using social media, I would:
"Get more pets spayed/neutered."

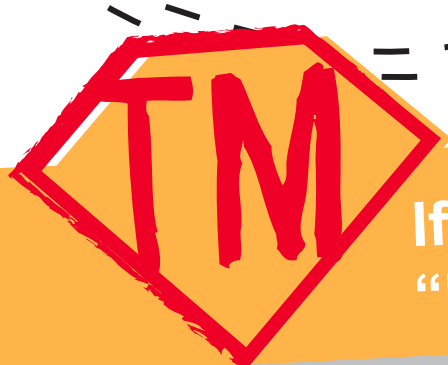

Favorite project with The Motherhood:
"The Moms with Apps partnership. It's a great time saver that I still use."

One piece of advice for new bloggers:
"It's easier to edit than it is to create. Just keep writing about what you think that you want your site to become, and it will get there. It will also keep changing, so don't get frustrated."
